PROHIBITED RECIPIENTS LIST

POLITICAL COMMITTEES PROHIBITED FROM RECEIVING LOBBYIST CONTRIBUTIONS IN THE 2016 SESSION OF THE CONNECTICUT GENERAL ASSEMBLY

This list is issued by the Commission as required by the provisions of General Statutes § 9-610 (f). It contains the name of each political committee (PAC) which is ***barred from receiving political contributions during the 2016 legislative session*** from individuals who are registered lobbyists and those political committees which appear on the list entitled *"Political Committees Established by or on Behalf of a Lobbyist."*

The ban applies from the opening of the regular session on February 3, 2016 until adjournment *sine die* on May 4, 2016. Candidate and exploratory committees for statewide office and/or the General Assembly are barred from receiving lobbyist contributions during the session, as are political committees that failed to certify that they were not established (a) for an assembly or senatorial district, (b) by an elected statewide official, a member of the General Assembly or their agent, or (c) in consultation with or at the request or suggestion of any such official, member or their agent, or controlled by such official, member or agent. Statewide office refers to the offices of Governor, Lieutenant Governor, the Secretary of the State, Treasurer, Comptroller and Attorney General. In accordance with General Statutes § 9-610 (f), any political committee established by two or more individuals is subject to these restrictions and included on this list if the committee was in existence prior to November 15, 2012 and its treasurer failed to file a biennial registration statement between November 16, 2012 and November 15, 2014.

This list has been distributed to each statewide officer and legislative leader enumerated in General Statutes § 9-610 (f). It is also available on our website at the above address. Any supplemental list(s) of newly registered political committees, which are subject to these restrictions, will be similarly distributed.

Questions concerning application of these restrictions should be directed to the Commission at the address and telephone provided above.
